## LADDER REST INSTALLATION

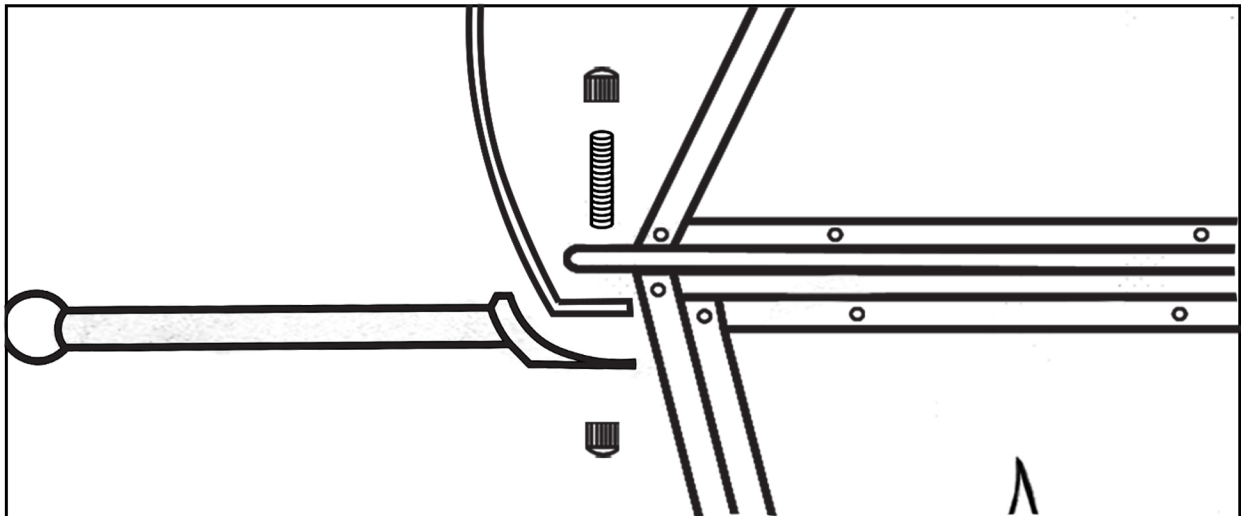

*For use with our Half Yoke accessory (HY-1, HY-2, & HY-3)*

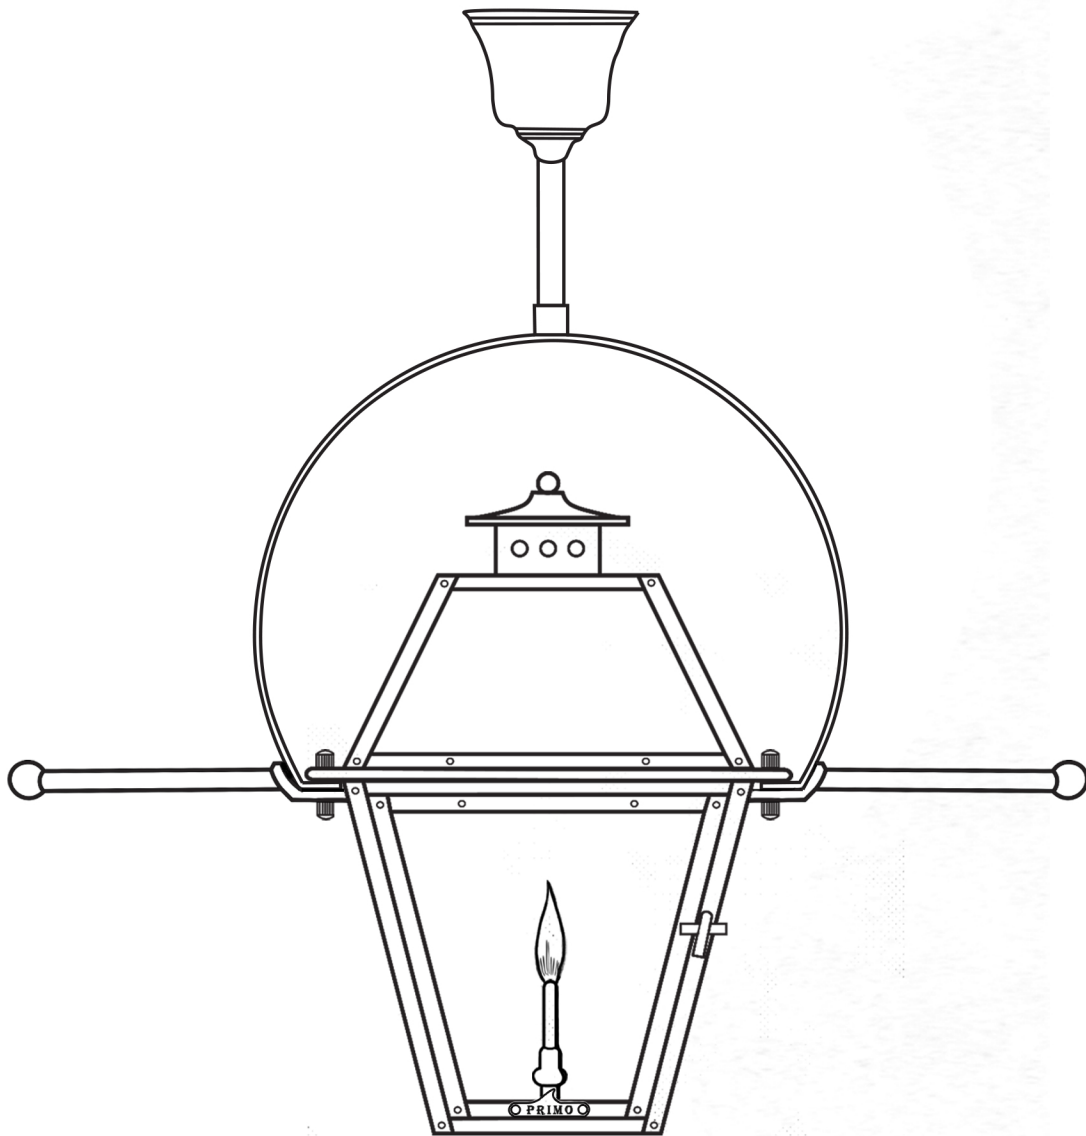

**FYI - Our Ladder Rest is only for use with our Half Yoke accessory.  
Our Half Yoke has a separate set of instructions.**

**1. Attach one Ladder Rest to one side of the lantern at a time.  
Line the hole up underneath where the Yoke attaches to the  
flange of the lantern. Using the supplied brass acorn nuts,  
attach the Ladder Rest underneath the Yoke and tighten by hand.**

**2. Repeat **Step 1** to attach the Ladder Rest to the other side.**
